**KENDALL BREEZE WEST COMMUNITY DEVELOPMENT DISTRICT
REGULAR BOARD MEETING
SEPTEMBER 15, 2021**

A. CALL TO ORDER

District Manager Nancy Nguyen called the September 15, 2021, Regular Board Meeting of the Kendall Breeze West Community Development District (the “District”) to order at approximately 7:06 p.m. in the Meeting Room at the Kendall Breeze West Community Clubhouse located at 11780 SW 138th Avenue, Miami, Florida 33186.

B. PROOF OF PUBLICATION

Ms. Nguyen presented proof of publication that notice of the September 15, 2021, Regular Board Meeting had been published in the *Miami Daily Business Review* on October 13, 2020, as part of the District’s fiscal year 2020/2021 meeting schedule, *as legally required*.

C. ESTABLISH A QUORUM

It was determined that the attendance of Chairman Eduardo Sanchez, Vice Chairperson Marianna Antunez and Supervisors Liana Cervino, Jessica Figueroa and Ahsaki Guilbeaux constituted a quorum and it was in order to proceed with the meeting.

Attending Staff were as follows: District Manager Nancy Nguyen of Special District Services, Inc.; and General Counsel Gregory George of Billing, Cochran, Lyles, Mauro & Ramsey, P.A.

D. ADDITIONS OR DELETIONS TO THE AGENDA

There were no additions or deletions to the agenda.

E. COMMENTS FROM THE PUBLIC FOR ITEMS NOT ON THE AGENDA

There were no comments from the public for items not on the agenda.

F. APPROVAL OF MINUTES

1. June 16, 2021, Regular Board Meeting

Ms. Nguyen presented the minutes of the June 16, 2021, Regular Board Meeting and asked if there were any changes and/or corrections. There being no comments or changes, a **motion** was made by Ms. Guilbeaux, seconded by Ms. Figueroa and passed unanimously approving the minutes of the June 16, 2021, Regular Board Meeting, *as presented*.

G. OLD BUSINESS

1. Update Regarding Installation of Speed Humps, Reflective Pavement Markings & Asphalt Repairs

Ms. Nguyen stated that the speed humps, reflective pavement markings and asphalt repairs had been completed. No additional information was required at this time.

H. NEW BUSINESS

1. Ratifying District Manager's Actions – Preservation Area Exotic Vegetation Management

Ms. Nguyen reminded the Board that the District entered into a Maintenance Agreement with Allstate Resource Management, Inc. for quarterly maintenance and mitigation of exotic vegetation in the preservation area for \$525 per visit. She further explained that upon further inspection of the preservation area by District Staff and the Allstate representatives, it was agreed that the exotic vegetation was growing at a rapid pace and quarterly visits were not adequate to keep the preservation area in a proper state. As such, Ms. Nguyen requested that Allstate Resource Management, Inc. change the maintenance schedule from quarterly services to monthly services. Ms. Nguyen explained that the cost for the monthly services will be \$216 per visit. This is an increase of \$492 per year. A discussion ensued, after which:

A **motion** was made by Ms. Figueroa, seconded by Mr. Sanchez and passed unanimously ratifying the District Manager's actions proceeding with the new monthly maintenance and mitigation of exotic vegetation in the preservation area at a cost of \$216 per month.

NOTE: Additional information regarding item H.1. was discussed under item H.2.

2. Discussion Regarding Preservation Area Perimeter Invasive Vegetation Cleanup

Ms. Nguyen reminded the Board that in late 2020, the District entered into a Maintenance Agreement (the "Agreement") with Allstate Resource Management, Inc. (Allstate) for the cleanup of approximately twenty-five (25) linear feet of invasive vegetation around the perimeter of the preservation area. Ms. Nguyen explained that because the District will be entering into a new fiscal year soon, there will be enough funds in the budget to start Phase 2 of the invasive vegetation cleanup.

Ms. Nguyen presented a proposal from Allstate in the amount of \$13,715 for Phase 2 of the invasive vegetation cleanup. Ms. Nguyen stated that if the Board accepts the proposal, the Agreement between the District and Allstate would need to be amended. Because the Agreement included both the exotic vegetation management and the invasive vegetation cleanup, the amendment will include the change for the exotic vegetation management service schedule and amount as well as the change in language for the Phase 2 invasive vegetation cleanup. A discussion ensued, after which:

A **motion** was made by Ms. Figueroa, seconded by Mr. Sanchez and unanimously passed accepting the proposal from Allstate Resource Management, Inc. for Phase 2 of the invasive vegetation cleanup in the amount of \$13,715. Said **motion** further authorizing District Counsel to prepare a First Amendment to the Maintenance Agreement dated September 3, 2020, changing the exotic vegetation management services from quarterly services to monthly services for the amount of \$216 per month and update language pertaining to the perimeter invasive vegetation cleanup; and further authorizing the District Manager to execute the First Amendment of behalf of the District.

3. Consider Resolution No. 2021-07 – Adopting a Fiscal Year 2020/2021 Amended Budget

Ms. Nguyen presented Resolution No. 2021-07, entitled:

RESOLUTION NO. 2021-07

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE KENDALL BREEZE WEST COMMUNITY DEVELOPMENT DISTRICT AUTHORIZING AND ADOPTING AN AMENDED FINAL FISCAL YEAR 2020/2021 BUDGET (“AMENDED BUDGET”), PURSUANT TO CHAPTER 189, FLORIDA STATUTES; AND PROVIDING AN EFFECTIVE DATE.

Ms. Nguyen provided an explanation for the document and indicated that she would like to increase the Street/Roadway & Stormwater Management budget line from \$5,000 to \$13,200 to allocate funds for payment of the recent roadway project. Ms. Nguyen stated that there will be an operating fund balance of approximately \$69,000 at the end of the fiscal year. A discussion ensued after which:

A **motion** was made by Ms. Figueroa, seconded by Ms. Cervino and unanimously passed adopting Resolution No. 2021-07, *as amended* (increased Street/Roadway & Stormwater Management budget line from \$5,000 to \$13,200), thereby setting the amended/revised budget for the 2020/2021 fiscal year.

4. Discussion Regarding Ingress/Egress Improvements

Ms. Nguyen reminded the Board that during a meeting in 2019, the Board requested that this item be added to the agenda once the District increased assessments. She further explained that commencing on October 1, 2021, the District will have sufficient funds to undertake this project. She presented a proposal from Caltran Engineering Group, Inc. in the amount of \$7,000 for the preparation of the engineering reports and roadway plans necessary to present to the Miami-Dade Public Works Department (Public Works) for the softening of the ingress and egress at the maintenance entrance of the District. The Board discussed the probability of minimizing accidents by softening the main entrance ingress and egress.

There was a Board consensus that this project was costly and that softening the ingress and egress is not guaranteed to minimize accidents. The Board requested that alternative options be reviewed. Ms. Nguyen stated that she would contact the appropriate agencies to request that Florida Department of Transportation (FDOT) consider adding a traffic light at the intersection of SW 137th Avenue and SW 115th Street. More information on this item will be provided in a future meeting.

5. Discussion Regarding Pressure Cleaning of Sidewalks for Fiscal Year 2021/2022

Ms. Nguyen presented a proposal from The Pressure Cleaning Man for the fiscal year 2021/2022 sidewalk pressure cleaning in the amount of \$10,000.75 (\$6,658 for the initial service and \$3,342.75 for second service). A discussion ensued, after which:

A **motion** was made by Ms. Figueroa, seconded by Ms. Cervino and unanimously passed accepting the fiscal year 2021/2022 sidewalk pressure cleaning proposal from The Pressure Cleaning Man, Inc. in the amount of \$10,000.75 (\$6,658 for the initial service and \$3,342.75 for second service), and further authorizing District Counsel to prepare a Maintenance Agreement and authorizing the District Manager to sign the Maintenance Agreement on behalf of the District.

6. Legislative Session Update

Ms. Nguyen explained that District Counsel had prepared a memorandum summarizing the legislative acts that have become law during the most recent legislative session. Mr. George provided the Board

an explanation of the laws that pertain to the District. Mr. George advised that if they have any questions regarding these new laws, they may contact his office or visit <http://laws.flrules.org/>.
